1. Water and sewer connections extended beyond the corporate boundaries of the city – 125% of the fees shown above.
2. Water meter fees do not include installation. A separate fee will be assessed if installation by the city is required.
3. Exterior water meters are considered on a case by case basis.
4. Irrigation backflow protection is the responsibility of the owner. The pricing will be adjusted for interior installations.
5. Water meter prices change without notice. Call to verify current pricing.
